By air London Heathrow and Birmingham International Airports ~ 1.5 hours by car.

By rail
London Marylebone to Bicester North, then 15 minute taxi transfer.
London Paddington to Oxford, then 30 minute taxi transfer.

By road

From North, M40, Junction 10. Take B430 towards Ardley & Middleton Stony. After ~ 1½ miles, turn right and follow heavy truck signs to Heyford Park. Follow road for ~ 1 mile then turn right at T-Junction into Camp Road. Heyford Park Main Gate is on the right hand side along Camp Road at first roundabout.

From South & East, M40, Junction 9. Take the A34 southbound towards Oxford. After ~ 1 mile take the B430 exit towards Weston-on-the-Green and Middleton Stony. Straight on at the traffic lights in Middleton Stony. After ~ 1½ miles turn left and follow 'heavy truck' signs to Heyford Park. Follow road for ~ 1 mile then turn right at T-Junction into Camp Road. Heyford Park Main Gate is on the right hand side along Camp Road at first roundabout.

From South, Oxford. Take the A34 northbound towards Bicester. ~ 1 mile south of the M40, after Service Station on left, take the B430 exit towards Weston-on-the-Green and Middleton Stony. Straight on at the traffic lights in Middleton Stony. After ~ 1½ miles turn left and follow 'heavy truck' signs to Heyford Park. Follow road for ~ 1 mile then turn right at T-Junction into Camp Road. Heyford Park Main Gate is on the right hand side along Camp Road at first roundabout.

From West/A4260 (light vehicles only). At Hopcrofts Holt crossroads and traffic lights (A4260) take B4030 towards Bicester and Middleton Stony. Cross bridge (7.5T limit) over river, go past Lower Heyford then take 'C' Class road to Upper Heyford. After ~ 1.5 miles, at Upper Heyford, turn right at T-junction into Camp Road. Heyford Park Main Gate is on the left hand side along Camp Road after ~ 1 mile at the second roundabout.

At Main Gate, obtain a car pass, go straight over mini-roundabout then ahead for about 150 metres. Turn right at the junction and immediately half right into wired compound. Sensor Technology occupies the low brown building. Please report to reception.
